DREAM ~ CREATE ~ ENJOY

DEVELOPED BY ANCHOR DIAMOND WALL INDUSTRY EXPERTS

HIGHLAND STONE®
RETAINING WALL SYSTEM

ANCHOR DIAMOND®

EASY INSTALLATION IS MORE THAN LIP SERVICE.
No pins. No mortar. No misalignments. Rear-lip block, invented by Anchor, makes installation fast and accurate. Anchor — the original rear-lip product!

Highland Stone 3″/6″

Create the natural landscape of your dreams.

If you're looking for a retaining wall system that combines superior strength with artistic beauty, look no further than the Highland Stone® retaining wall system. Crafted with a rich, textured appearance, this multipiece system perfectly complements any home or landscape.

Block colors: Navajo, Sandstone, Granite Blend.

Highland Stone Freestanding Wall

The Highland Stone® 6” Freestanding wall system combines concrete stone-look wall blocks featuring rich textures, and varied contours The Highland Stone Freestanding collection includes a 6”, 12” and 18” with a 9” depth block. The block system is complemented by a corner/column, and cap block.
Block colors: Navajo, Sandstone, Granite Blend.

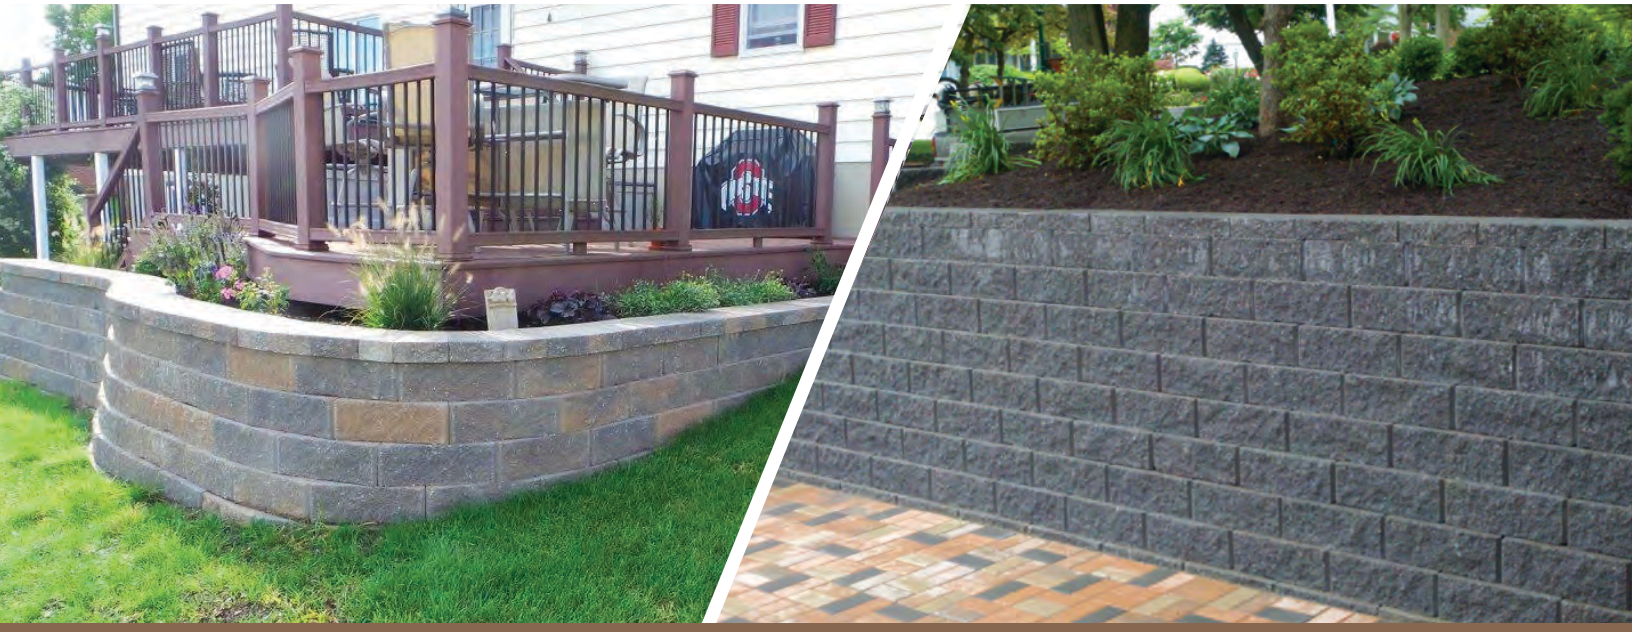

DIAMOND STRAIGHT FACE®

RETAINING WALL SYSTEM

Contractors choose the Diamond® retaining wall system

To create flexible, cost effective solutions for a broad range of light commercial and residential retaining wall projects, including planters, raised patios, staircases, terraced walls and tree rings. The rear lip block makes installation fast and accurate.

DIAMOND BEVELED FACE®

RETAINING WALL SYSTEM

Highland Stone 3"/6"

The Diamond block comes in two different face styles straight and beveled.

Block colors for both Straight & Beveled: Antique Blend, Brown, Buff, Charcoal, Earth Blend, Granite Blend, Gray.

ASPEN STONE®

RETAINING WALL SYSTEM

Crafted with a rough-hewn face and earthen colors

The Aspen Stone® concrete block retaining wall system is ideal for building a stone-look retaining wall that is timeless in both durability and beauty. Lightweight and easy to handle, the Aspen Stone retaining wall system is the perfect choice for walls up to 2 feet high. Perfect for planter rings, raised gardens, terraces, this product also features our patented rear-lip locator for quick and easy installation. **Block colors: Earth Blend, Granite Blend, Gray, Navajo, Sandstone, Buff.**

WINDSOR STONE®
RETAINING WALL SYSTEM

Lightweight and easy to handle

The Windsor Stone block is the perfect choice for stone-look retaining wall projects up to 2 feet high, including the buried course, but excluding the cap. A matching concrete retaining wall cap stone completes the system. The traditional face style of the Windsor Stone® retaining wall system gives any garden stone-look wall a timeless appearance. Planter rings, raised gardens, terraces and retaining walls.

Block colors: Antique Blend, Brown, Buff, Charcoal, Colonial Red, Earth Blend, Granite Blend, Gray.
